CALLS

LIVES & nccr — on the move International Conference 2024

We welcome papers and posters that address **issues linked to migration and other forms of mobility in the course of life** (e.g. social, family, professional, educational). We are particularly interested in submissions that use innovative methods and novel data.
Deadline for submission: 31 May 2024

LIVES EVENTS

LIVES Day

30 May 2024 - Uni-Mail - UNIGE

Get to know the research projects that are part of our network, with flash presentations and keynote speeches.

[Read more](#)

Media training

30 May 2024 - Uni-Mail - UNIGE

Before the LIVES Day, take part in our workshop to practice how to answer efficiently to the media and convey your message. The workshop is held in French.

[Read more](#)

Workshop - LIVES Doctoral programme

4-6 June 2024 - Uni-Mail - UNIGE

"Qualitative and mixed methods for life course research".
Some places available for continuous education. Please email Delphine Fagot (delphine.fagot@unige.ch).

[Read more](#)

"Life after LIVES" - LIVES alumni event

20 June 2024 - UNIL

Presentations and panel discussions on projects and careers in **both science and practice**. Our aim is to strengthen the LIVES alumni network by bringing together past and present LIVES researchers.

[Read more](#)

General assembly CIGEV and Welcome day

27 August 2024 - Pinchat - UNIGE

A conference by Prof. Lilly Shanahan will follow the general assembly: "Risk and Resilience from Childhood to Young Adulthood"

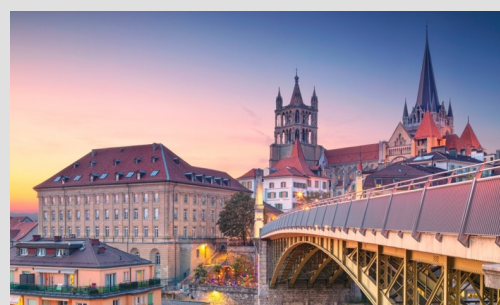

[Read more](#)

LIVES Science, Sports & Drinks

29 August 2024 - Anthropole - UNIL

The end-of-summer event for LIVES-UNIL members that begins with the general assembly of the CIR-LIVES and a moment of scientific exchange, and concludes with team sports on the campus and an apéritif at the lakeside.

WORKING GROUPS

Skills and inclusiveness

Coordinator: Giuliano Bonoli (UNIL)

This working group aims at promoting research, and debate on the broad issue of investments in skills as a means to promote social cohesion and fight inequality.

The groupe is interested in questions such as the consequences of technological change, promotion of social cohesion, the politics of inclusive educational and skill formation, the current skill shortage context.

A workshop will be held on 29-30 October 2024 at UNIL:
"Connecting the dots: The in- and exclusive role of networks"

All [LIVES Working groups](#) are available on our website.

LIVES PEOPLE

LIVES Visiting scholars 2024

Ten researchers visit us in 2024 in Lausanne or Geneva and meet with our research teams.
