

CALLS

CfP - LIVES International Research Days

LIVES will host two International Research Days at the University of Lausanne on 4-5 November 2026. We welcome submissions for oral presentations on the following topics: within couple inequalities, spatial inequalities, refugees' labour market integration, mid-life challenges from a gender perspective, family complexity, social stratification, intersectionality, and social determinants of well-being and health.

Deadline for application: 31 May

LIVES EVENTS

LIVES Day 2026

2 June (13:15-17:45) - UNIGE

The LIVES Day is an opportunity for all LIVES members to get to know the research projects that are part of our network. Parallel sessions of flash presentations are held during the afternoon. Two keynote speeches by Nicolas Sommet and Anahita Mehrpour will start and finish the event.

LIVES Doctoral Programme - Upcoming Modules

**4-5 June - UNIGE (Pinchat)
18-19 & 22-23 June - UNIL**

All LIVES members are welcome to attend the upcoming modules on "Qualitative and Mixed Methods Analysis of Life Course Issues" and "Causal Analysis and Open Science".

Registration: charikleia.lampraki@unige.ch

[Programme module "causal analysis"](#)

LIVES-UNIL GA + Science, Sports & Drinks

27 August (14:00-16:30) - UNIL

The LIVES-UNIL end-of-summer event, opening with the general assembly and scientific exchange on linking surveys with register data, and closing with team sports on the campus and a lakeside apéritif.

Save the date!

LIVES-UNIGE GA + Welcome Day

2 September (15:15-17:15) - UNIGE

The General Assembly of CIGEV will be followed by a conference on "Brain health in young adulthood: The next generation Brain Health Programme, rethinking dementia risk, resilience, and prevention" by Laura Booi from Trinity College Dublin.

[Programme](#)

Conférence francophone interdisciplinaire d'analyse des réseaux

24-26 June - UNIGE

LIVES is supporting this year's FrogNet conference, which aims to bring together researchers and students using network analysis, its theories, concepts, and/or methods.
